PRINCIPAL'S ADDRESS

Dear Nollamara Primary School Community,

As we approach the start of the Noongar season of Djeran, we are hopeful for cooler weather after a long stretch of hot temperatures. As the end of term draws near, many of our students may be feeling the effects of the heat and long school days. It's a great time to focus on ensuring our children are getting enough rest, and early nights with good sleep will be essential in helping them stay energised and ready to learn.

I cannot emphasise enough the importance of reading with your children at home. It plays a crucial role in their development, and I encourage you to continue reading together regularly. In addition to reading at home, our educators offer a fantastic opportunity for students to practice their reading in the undercover area before school. The more practice they get, the better!

I would also like to take this opportunity to thank the parents who joined us for our Harmony Day assembly last Friday. It was wonderful to see so many of you at school, sharing in the celebration of our vibrant community. Harmony Day was a truly special occasion at Nollamara, with children wearing cultural dress and representing over 40 countries. The school looked fantastic, and I felt incredibly proud to be the principal of such a culturally diverse and inclusive community.

Thank you again for your continued support. It is a privilege to work alongside such dedicated families in creating a positive and inclusive environment for all our students.

Warm regards,
Terese Morse

HARMONY DAY

What a wonderful, special time we had at Nollamara Primary School for Harmony Day! We had a beautiful assembly run by Room 7 and Room 26 and our students looked fabulous in their national dress. Harmony Day at Nollamara was a wonderful celebration of the diversity that makes our school so special. We are incredibly proud of the vibrant community we have here, where students and families speak 52 different languages and come from over 40 different countries.

This rich cultural tapestry is something we celebrate every day, and Harmony Day provided a beautiful opportunity to come together and acknowledge the strength we gain from our differences. At Nollamara, we embrace diversity and inclusion, and I am deeply proud to be part of such a welcoming and united school community.

NOLLAMARA PRIMARY SCHOOL NEWSLETTER

SWIMMING LESSONS

In-term swimming lessons will begin in the first week of Term 2, running from Wednesday, April 30, to Friday, May 9, at Bayswater Waves. All eight lessons will take place in the indoor swimming pools.

Swimming is a required component of the WA curriculum, and all students from Pre-Primary to Year 6 are expected to participate.

Permission notes and enrolment forms were sent home with students today and must be returned to the office by Thursday, April 10. Further information, including swimming times, groups and further instructions will be sent out soon. We appreciate your prompt attention in returning the permission notes and enrolment forms as soon as possible.

CULTURE SURVEY

A big thank you to all the parents who took the time to complete the School Culture Survey posted on ClassDojo. Your valuable feedback will be directly used to inform our planning as we develop our strategic plan for the school. If you haven't yet had the chance to complete the survey, the link and QR code are posted again below for your convenience.

CLASS SNAP SHOT – ROOM 4

Rocket Maths Trial in Room 4

This term, Room 4 is trialling the Rocket Maths Fluency program. Rocket Maths is a research-backed program designed to help students master their multiplication facts. The process begins with students reading their multiplication facts aloud, which helps them commit them to memory. They then have one minute to recall and write down as many facts as possible, aiming to improve their previous score. Miss Walker and Mrs. Damon have already noticed a marked improvement in the students' ability to recall their multiplication facts!

March 2025

Hello March!

At Theircare Nollamara, we make sure every child has fun, including those with additional needs. We offer activities like sensory play, games, creative arts & crafts, music & movement. Our activities are flexible & engaging, allowing every child to participate, express themselves & enjoy their time with us in supportive and inclusive environment.

At TheirCare, we understand the importance of every dollar for our families!

We are committed to providing the best value for your money. That's why we have not increased our late fees for the past seven years! We understand the challenges late fees can bring, so we've kept these steady to provide the best value for your family without adding extra stress. We want to ensure that our services remain affordable and accessible to everyone!

Tuning in to Kids® Connected Families

For parents and carers of children

6 session program

This interactive workshop will help parents and carers teach their children to understand and regulate their emotions. Children with good emotional intelligence often have better emotional, social and physical functioning, as well as fewer behavioural difficulties.

Tuning in to Kids is a parenting program that aims to give helpful ways of teaching children the skills of emotional intelligence.

Please include your full name, contact number and residential postcode when registering.

COMMUNICARE
CREATING FUTURES

Communities for Children Facilitating Partner Initiative Mirrabooka is funded by the Australian Government and facilitated by The Smith Family.

The Smith Family
Learn today, change tomorrow.

Put the fun back into mealtimes

Are you a parent or carer of a child (0-5 years)?

The first five years of our children's lives are vital for developing healthy eating habits and building strong, healthy bodies and minds.

Gain the confidence to cook healthy meals on a budget the family will love.

We've been delivering this program for years now and one thing we've come to learn is that every family is different - but we can help you to support your children to become confident, healthy eaters.

Why nom!

- » Healthy eating for infants and children
- » Tips for making mealtimes less stressful
- » Lunchboxes, label reading and food safety tips
- » Enjoy getting to know other parents
- » Take home free recipe books, shopping bag, Let's Feed the Family parent guide and a kids healthy eating plate.
- » Facilitated by university qualified nutritionists

Tasty learning for life
